Imagining the possibilities for your new kitchen or bath? Check out our must-see list of faucets, fixtures, and appliances introduced this year.

4

DOUBLE OVEN

Model and cost: 30-inch Double Wall Speedcook oven, \$7,495
Why we love it: Not only does the upper oven cook a 12-pound turkey in 42 minutes (with fast-moving heated air); its door comes in seven colors. The lower oven is for convection cooking.
Where to get it: TurboChef; 866/543-6569; www.turbochef.com

DOUBLE-DRAWER REFRIGERATOR

Model and cost: Experience, \$2,500
Why we love it: We appreciate the convenience of undercounter refrigeration—especially these 36-inch-wide drawers, which feature an antibacterial treatment to control mold and mildew.
Where to get it: Ariston; 888/426-0825; www.aristonappliances.us

6

5

OVERSIZE PAN-STYLE SHOWERHEAD

Model and cost: Rainshower Jumbo, \$1,095
Why we love it: This showerhead has a whopping 16-inch diameter and 252 water nozzles to guarantee a complete drenching. Can be wall- or ceiling-mounted.
Where to get it: Grohe; 630/582-7711; www.groheamerica.com

MULTIPLE-HEAD SHOWER

Model and cost: The Spa, \$165
Why we love it: Because sometimes three heads are better than one. This trio of individually controlled showerheads offers four massage settings and an optional water purification system.
Where to get it: Santé; 800/398-6735; www.santeforhealth.com
